

QUALITY POLICY

Shivansh Engineers & Infra LLP is committed to delivering reliable, safe, and quality-driven engineering and construction services in civil construction, mechanical works, piping and structural fabrication & erection, NDT services and manpower supply.

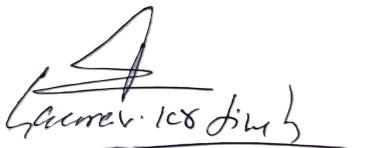

We strive to:

- Meet and exceed customer, statutory, and regulatory requirements
- Deliver projects with precision, safety, and timeliness
- Maintain a competent workforce and effective process controls
- Apply risk-based thinking to prevent non-conformities
- Continuously improve the effectiveness of our Quality Management System

Our management is committed to providing necessary resources, promoting quality awareness at all levels, and fostering long-term partnerships through ethical practices and consistent performance.

This Quality Policy is communicated, implemented, and reviewed periodically to ensure its continuing suitability and effectiveness.

“Quality Slogan: Precision in Every Project.”
