

## OCCUPATIONAL, HEALTH, SAFETY AND ENVIRONMENT POLICY

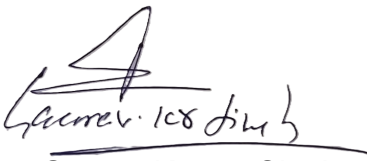

**Shivansh Engineers & Infra LLP** is committed to conducting all its engineering, construction, manpower, NDT and inspection activities in a manner that ensures the health and safety of employees, contractors, clients, and the public, while protecting the environment.

We believe that all accidents, occupational illnesses, and environmental incidents are preventable, and we strive to achieve a zero-harm workplace through proactive planning, training, and continuous improvement.

### Our Commitments

#### We are committed to:

- Providing a safe and healthy working environment at all offices, project sites, and work locations.
- Preventing work-related injuries, ill health, accidents, and environmental pollution.
- Identifying hazards, assessing risks, and implementing effective control measures.
- Complying with all applicable OHSE laws, statutory regulations, client requirements, and industry standards.
- Ensuring safe systems of work, proper tools, and well-maintained equipment.
- Promoting environmental protection, waste minimization, and responsible resource usage.
- Continuously improving OHSE performance through monitoring, audits, and corrective actions and Employees engagement.
